Financial Advisory

PearlMutual provides the broadest range of financial advisory services to our clients. Our dedicated team of professionals provides a range of advisory services in:

RESEARCH

Our company offers affordable economic research services. With the vast experience of our analysts, we provide useful and current information on various sectors of Nigerian and global economies using the macro-to-micro approach.

BUSINESS PROCESS REENGINEERING

Our team of consultants utilizes radical ideas to redesign core business processes and achieve dramatic improvements in productivity, cycle times, and quality.

GOVERNANCE, RISK MANAGEMENT AND COMPLIANCE (GRC)

The PearlMutual team is experienced to deliver on GRC implementation, which ensures that your corporate governance and risk management framework is reliable and able to sustain performance across the organization. We provide implementation services and continued support to ensure your organization is abreast of emerging governance, risk, and compliance issues. GRC implementations improve efficiency and effectiveness through the alignment of strategy, processes, technology, and people.

STRATEGIC FRAMEWORK DEVELOPMENT

We are committed to helping our clients understand the benefits of a well-articulated, stable purpose, and the importance of discovering, understanding, documenting, and exploiting insights about value creation and competitive advantages.

AGRIBUSINESS INTELLIGENCE AND ASSESSMENTS

As a member of SCOPEInsight's Local Expert Network (LEN), PearlMutual is licensed to provide data-driven business assessments of businesses operating in the agricultural sector in Nigeria using SCOPEInsight's globally accepted tools.

DATA ANALYTICS

Our team can provide golden nuggets of insight to help organizations achieve what was previously unattainable.

Capital Raising

As part of our effort to deliver successful solutions to our clients, we facilitate short and long-term debt or equity (both locally and internationally) to help them expand their businesses. We offer the following fundraising services:

TRADE FINANCE

We have strategic partners with an emphasis on trade financing to help build business capacity in organisations.

PROJECT FINANCE

Our project finance partners provide debt and/or equity for transactions that will have a developmental impact on the Nigerian economy.

BRIDGEANGELS (WORKING CAPITAL FINANCE)

BridgeAngels is an expression of PearlMutual Consulting Ltd. This is a business and financial incubation platform established to help companies, especially those in the agro-processing, manufacturing & trading sectors of the economy to improve their working capital. Through the platform, we raise working capital for SMEs from high-net-worth individuals that are seeking higher returns.

Executive Training

PearlMutual Academy is our training division. We work in alliance with other professionals to deliver quality training courses in soft & technical skills. These professionals act as course facilitators and also contribute to the delivery of our programme contents. All our conferences are designed and delivered to provide a hands-on learning experience, as our experienced faculty members use case studies, exercises, group discussions, and explanatory notes.
